Re: Change of Ownership for Water Right/Permit No(s): 55-10102, 57-7267, 57-7638, 57-10608, 57-10619, 57-10624, 57-10625, 57-10627A, 57-10627B, 57-10631, 57-10632, 57-10642, 57-10643 and 57-10644,

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Please note the ownership was not updated for water right 55-10101, 57-7637 and 57-10641. 55-10101 is a stockwater right that was disallowed in the Snake River Basin Adjudication. 57-7637 was an application for permit that was withdrawn and 57-10641 is a domestic right located in Township 04S, Range 01E, Section 30, SESE. The deeds you provided did not include this location as being conveyed. Since the ownership of these rights was not updated, a refund of \$75 has been requested and will be sent to you under separate cover from the State Controller's Office.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,
