Dear Ground Water District:

Due to an error at the Power County Press, the above referenced application was not advertised as previously scheduled; therefore extending the protest deadline.

As noted in our June 1, 2017 letter, please submit any necessary comments to this office. If the department has not received your written comments within 21 days of *this letter*, we will presume that you do not oppose approval of the application and that you have no comments for the department to consider.

In addition, if you desire to formally protest the approval of this application, you may do so by filing a written protest with this office, along with a \$25.00 filing fee on or before **July 17, 2017**.

Please contact this office if you have any questions regarding this information.

Sincerely,

Denise Maline
Administrative Assistant
