RE: Change in Ownership Water Right No. 34-10420 & 34-10421, 34-10427

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Clarification:** The water rights listed on the application are not the same as the water rights listed on the deed attached. The water rights listed on the deed attached to this application have already been put in the name of Johnathan and Candy Bragg. Please submit a copy of the deed for the water rights and/or the property the water rights are appurtenant to listed on the application submitted.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
