RE: Change in Address Water Right No 22-7389

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Address.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Information:** The department contacted the email address listed on the notice on April 18, 2017. The department needs additional information before we can process this application. Please submit evidence that Michelle Southam has the authority to sign for Syringa Park Water Users Association or have the application complete by someone who has the authority.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
