RE: Change in Ownership Water Right No 29-2344, 29-10053, 29-10054, 29-2489A, 29-2489B & 29-2489C

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Filing Fee:** During our review the department found that water right 29-2344 is not appurtenant to your property. However we found 3 additional water rights that are appurtenant to your property. In order for the department to complete the ownership change for all the water rights an additional filing fee of \$50.00 is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
