RE: Change in Ownership Water Right No 31-10057 & 31-10058

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The department left a message on May 25, 2017 requesting additional information. The information required is indicated below:

**** **Application:** When the application was received the department was missing the application the instructions and checklist was enclosed but the application that is to be completed and signed was missing.

**** **Filing Fee:** If the intent is to file an ownership change for the two water rights listed above an additional \$25.00 is required. The filing fee is \$25.00 **per water right** not resulting in a split. The department has only received \$25.00 the filing fee would be \$50.00.

**** **Additional Evidence of Ownership:** The current owner of the water rights listed above is Fred and Joyce Jackson. In order to complete the ownership change a release from Fred is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
