Dear Permit Holder(s):

The Department received the request for extension of time (extension) form you submitted for the above referenced permit.

I am returning the form to you because information provided on the application is not sufficient or incomplete. Please address the following items on the form:

You are allowed an initial development period of 5 years. After the initial 5 year development period you are allowed to file only one extension request for up to 5 more years.

Please resubmit the completed form at your earliest convenience before the proof due date of **August 01, 2017** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.
