Re: Change of Ownership for Water Right/Permit No(s): 63-18755

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

RE: Change of Ownership for Water Right No(s): 63-18755

Dear Water Right holder(s):

The Department of Water Resources acknowledges receipt of the request for a Notice of Change in Water Right Ownership water right 63-18755. However, a filing fee is needed before the Department can update the ownership of this right.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that **\$25** is needed to complete this request.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without the proper fees, we will hold any action on your notice pending receipt of the fees. If we do not receive the fees within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions concerning this letter, feel free to contact me at 287-4942.

Sincerely,

Jean Hersley

Technical Records Specialist II
