BY THIS DEED OF TRUST, made this 15 day of January, 2016, between STEVEN CARLSON and MICHELLENE VAN BOOVEN, husband and wife, acting individually and as Manager of ISLAND VIEW RESORT, LLC, an Idaho Limited Liability Company, whose address is PO Box 243, Hope, ID 83836, herein called GRANTOR, and Callahan & Associates, Chtd., PO BOX 2226, Coeur d'Alene, ID 83816, herein called TRUSTEE, and MARJORY CARLSON, Trustee, or her successor in interest, JOHN AND MARJORY CARLSON REVOCABLE INTER VIVOS TRUST, whose address is 1767 Peninsula Rd, Hope, ID 83836, herein called BENEFICIARY.

GRANTOR grants, transfers and assigns to TRUSTEE, in trust, with power of sale, all of its interest held in certain real property located in Bonner County, Idaho, described as follows:

GRANTOR also assigns to BENEFICIARY all rents, issues and profits of said realty reserving the right to collect and use the same except during continuance of default hereunder and during continuance of such default authorizing BENEFICIARY to collect and enforce the same by any lawful means in the name of any party hereto.

This DEED OF TRUST is made for the purpose of securing: (1) Payment of a promissory note in the principal sum of Six Hundred Ten Thousand (\$610,000.00) dollars dated equal date of this Deed of Trust, payable to BENEFICIARY by GRANTOR; (2) Payment of any money that may be advanced by the BENEFICIARY to GRANTOR, or its successors, with interest thereon, evidence by additional notes (indicating they are so secured) or by endorsement on the original note, executed by GRANTOR or their successors; and (3) Performance of each agreement of GRANTOR contained in the referenced promissory note which is hereby incorporated by reference.

To protect the security of this Deed of Trust, Grantor agrees:

1. To keep said property in good condition and repair; to maintain casualty and liability insurance; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

2. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear.

3. In addition to the payments due in accordance with the terms of the note hereby secured the Grantor shall at the option, and on demand of the Beneficiary, pay each month 1/12 of the estimated annual taxes, assessments, insurance premiums, maintenance and other charges upon the property, nevertheless in trust for Grantor's use and benefit and for the payment by Beneficiary of any such items when due. Grantor's failure so to pay shall constitute a default under this trust.

4. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof, with interest from date of expenditure at the highest lawful rate permissible under Idaho law.

5. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation to do so and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, or in enforcing this Deed of Trust by judicial foreclosure, pay necessary expenses, employ counsel and pay his reasonable fees.

1. Any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as for disposition of proceeds of fire or other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3. At any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey all or any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in any reconveyance executed under this deed of trust of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5. As additional security, Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Grantor the right, prior to any default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of its election to cause to be sold the herein described property to satisfy the obligations hereof, and

shall cause such notice to be recorded in the office of the recorder of each county wherein said real property or some part thereof is situated.

7. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors, remaindermen and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

8. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor, Beneficiary or Trustee shall be a party unless brought by Trustee.

The undersigned Grantor shall receive a copy of any notice of default and any notice of sale hereunder to be mailed to Grantor at the address hereinabove set forth, being the address designated for the purpose of receiving such notice. Any such notice shall clearly and precisely set forth the nature of each and every default and the action necessary to cure the default(s).

This DEED OF TRUST is assignable and is subject to the same provisions as the referenced promissory note which is secured hereby; all such provisions are hereby incorporated by reference.

Re: Change of Ownership for Water Right/Permit No(s): 96-4002 & 96-7026

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 762-2800.

Sincerely,

Natalie Steading
