Hello Mr. Scott,

Thank you for this request. I am forwarding it to Morgan Case and Adam Fredrick at our Northern Region Office. They will follow the process to withdraw the assignments of permit and return the assignments and the associated fee to you.

Thank you for helping us clear this situation up. Our Northern Region staff will contact you to go up and do the field examinations on these water rights and the other rights in that area as soon as we receive the remaining two proof of beneficial use statements.
