Subject: IDWR Depositions - Available Dates

Dear Parties:

I checked with Carter Fritschle, Jeff Peppersack and Michael Holliday about depositions dates in August. Jeff and Carter are both available anytime August 7-11, 21-23 or 25. I assume it will be easiest to conduct their depositions on the same day.

Michael Holliday (in the Idaho Falls office) is available anytime on August 10, 11, 14, 23-25 or 28-31.

Please feel free to contact Jeff, Michael and Carter directly to schedule the depositions or to block out time on their calendars.
