Sharla & James,

I have been authorized to withdraw the City of Drigg's appeal or request for hearing of the proposed license on 22-13979 as the City was under the mistaken belief that the proposed license required the subordination of the previously licensed right in the School Well instead of just the .61 cfs. Provided that the subordination language is ONLY as to the .61 cfs of 22-13979, we are good to go with the present licensing.

Please let me know what, if anything else, I would need to file.

Thanks

Jerry

Jerry, James informed me I needed to schedule a hearing for the above license. I understand you will have some witnesses to be there, so I am requesting that you get me some dates that are good for all of your witnesses for a hearing date. Then I will check with our calendar and pick a day that is compatible to everyone.

Let me know those dates as soon as you have them.

Thank you.
