August 22, 2016

Steve Cann

1644 S. State Street

Preston Idaho 83263

Mr. Cann,

Franklin County approves your request to continue using the abandoned upper Cub River Canal as an irrigation structure to divert your waste water streams for use on your acreage located at 1644 S. State Street. This is with the understanding the structure will be a run-off collection area and needs to flow freely when needed for periods of heavy runoff.

Respectfully,

A handwritten signature in cursive script, reading "Dirk Bowles".

Dirk Bowles

Chairman Franklin County Commissioner
