Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Please note that there is a transfer pending on water rights 2-2129, 2-2130, 2-2406, 2-7020, 2-7021, 2-7025, 2-7033, 2-7034, 2-7036, 2-7037, 2-7038, 2-7127 and 2-7350. An Assignment of Application of Transfer will be needed if Global Ag is going to meet the conditions of the transfer. I have enclosed a form for your benefit. Murphy Land Co. LLC needs to fill out page 1 with notarization. Global Ag Properties will need to fill out page 2. Please return the assignment to nick.miller@idwr.idaho.gov or patrick.kelly@idwr.idaho.gov or fax to our Western Region Office (208) 334-2348.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,
