A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following **REQUIRED** items:

- ☐ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- ☐ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- ☐ Filing fee (see instructions for further explanation):
- o \$25 per *undivided* water right.
 - o \$100 per *split* water right.
 - o No fee is required for pending adjudication claims.
- ☐ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
- ☐ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

FIRST AMENDMENT TO OPERATING AGREEMENT
for
PERSCHON FARMS LLC
(A Manager-Managed Idaho Limited Liability Company)

THIS FIRST AMENDMENT TO OPERATING AGREEMENT (this "*Amendment*") is made and entered effective as of July 4, 2016, by and between Steven Perschon ("*Steven*") and Sandy Perschon ("*Sandy*"), the sole Members of Perschon Farms LLC (the "*Company*").

Background

A. On December 13, 2012, George E. Perschon ("*George*") and Renee Perschon ("*Renee*") caused to be filed a Certificate of Organization for the *Company*. Pursuant to an Operating Agreement dated December 27, 2012 (the "*Operating Agreement*"), *George* and *Renee* were named the Managers of the *Company*, and 100,000 Membership Units (the "*Units*") were issued (including both voting and nonvoting *Units*) with 58,000 *Units* issued to *George* as his separate property, 31,000 *Units* issued to *Renee* as her separate property, and 11,000 *Units* issued to *George* and *Renee* as community property.

B. On December 31, 2012, *George* and *Renee* transferred all of their separate property *Units* to *Steven* and *Sandy*, but retained 5,500 *Units* each. As a consequence, the ownership of the *Company's* 100,000 *Units* were held by *George* and *Renee* with 11,000 community property *Units*, *Steven* with 49,000 *Units*, and *Sandy* with 40,000 *Units*. On December 29, 2014, an Amendment to Certificate of Organization was filed adding *Steven* as a *Company* Manager.

C. *Renee* died on September 5, 2015, and pursuant to her Will and an Asset Allocation, Exchange and Distribution Agreement effective upon her death, *Renee's* interest in the 11,000 community property *Units* was transferred to *George*. On December 15, 2015, another Amendment to Certificate of Organization was filed removing *Renee* as a Manager and confirming the addition of *Steven* as a Manager.

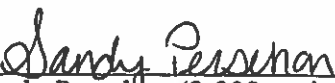

D. *George* died on July 4, 2016, and pursuant to his Will, the 11,000 *Units* (including 5,000 voting *Units* and 6,000 nonvoting *Units*) were transferred to *Steven* as his separate property. Therefore, as of July 4, 2016, the ownership of the *Company's* 100,000 *Units* were held by *Steven* with 60,000 *Units* (8,000 voting *Units* and 52,000 nonvoting *Units*) and *Sandy* with 40,000 *Units* (2,000 voting *Units* and 38,000 nonvoting *Units*).

E. As the only Members of the *Company*, *Steven* and *Sandy* now desire to amend the *Operating Agreement* and to confirm the status of *Steven* as the sole Manager of the *Company*.

Amendment

NOW, THEREFORE, for the reasons set forth above, the first sentence of Section 6.02(a) of the *Operating Agreement* is hereby amended to read that "**The number of Managers of the Company shall be ONE (1).**" Furthermore, the undersigned confirm that such Manager is and shall continue to be **Steven Perschon**. By their signatures below, *Steven* and *Sandy* hereby each agree that they and the *Units* they own remain bound by the *Company's* *Operating Agreement*.

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership and splitting the above referenced water right. The department has modified its records to reflect the changes and has enclosed computer-generated reports for your records.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
