RE: Change of Address for Water Right No. 65-8827

Dear Water Right/Permit Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Judith Oakley was also listed on the Change in Address form. Unfortunately, the Department cannot add an additional owner to the water right without further documentation. I have included a Notice of Change in Water Right Ownership application for you to complete and submit to have her added.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions concerning the enclosed information or this letter, please feel free to contact this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chad Jones', with a long horizontal flourish extending to the right.
