4. If the water rights and/or adjudication claims were split, how did the division occur?
☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.
5. Date you acquired the water rights and/or claims listed above: May 3, 2016
6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner any Water Supply Bank leases associated with the water right. Payment of revenue generated from any rental of a leased water right requires a completed IRS Form W-9 for payment to be issued to an owner. A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).
7. This form must be signed and submitted with the following **REQUIRED** items:
- ☒ A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
 - ☒ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
 - ☒ Filing fee (see instructions for further explanation):
 - ☐ \$25 per *undivided* water right.
 - ☐ \$100 per *split* water right.
 - ☐ No fee is required for pending adjudication claims.
 - ☒ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
 - ☒ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

Re: Change of Ownership for Water Right/Permit No(s): 63-2539, 63-31341 and 63-32572

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Subject: Re: change in ownership for HFLP and Pumpkin Creek Ranch

You should have 2 applications from me. 1 for HFLP and 1 for Pumpkin Creek Ranch. Can you just cross out the water rights for each that don't pertain and use the check for \$225 for both HFLP and Pumpkin Creek Ranch?

Mr. Harmsen,

I have reviewed the Notice of change in ownership you submitted for HFLP LC and Pumpkin Creek Ranch. According to the deeds provided, water rights 63-2539, 63-31341 and 63-32572 will be in the name of HFLP LC. And water rights 63-2532, 63-3609, 63-7866, 63-7891, 63-9683 and 63-9684 will be in the name of Pumpkin Creek Ranch.

When you submitted the requests for a Change in Ownership, you listed all the water rights on both forms. You also submitted a filing fee of \$225 with the HFLP LC request and no fee for the Pumpkin Creek Ranch request. Did you want me to use part of the fee for the Pumpkin Creek Ranch ownership request? I also need to see paperwork that authorizes you to sign the Notice of Change in Water Right Ownership on behalf of Pumpkin Creek Ranch.

Please provide the requested information within 30 days or the Department will returned the Notice of Change in Water Right Ownership requests unprocessed.

A reminder also that water rights 63-2532, 63-2539, 63-3609, 63-7866 and 63-32572 are no longer leased to the Water Supply Bank and could be subject to forfeiture.

If you have any questions, please contact me at the number below. Thank you.
