Scott,

Attached please find relevant excerpts from the NKC Great Plains LLC Operating Agreement and the Halderman Asset Management LLC Operating Agreement. Section 6 of the NKC Agreement gives the manager, Halderman Real Estate Asset Management, complete management of the LLC. Section 4.3 of the Halderman Agreement appoints Adam Gore as vice president for asset management with authority to act on behalf of the LLC.

Subject: NKC Great Plains Ownership Change and Transfer Application Assoc. with WR 31-4004

T.J.

I recently received an ownership change and assignment of transfer application associated with water right 31-4004. In order to process the changes I need official documentation from NKC Great Plains, LLC showing Adam Gore has the authority to file on their behalf. I did a quick business entity search, but could not find Adam Gore on any of the business documents. As soon as I get them, the application will be changed and approved. Let me know if you have any questions.
