**RE: LEASED WATER RIGHT NO(S). 13-962 AND 13-963 RELEASED FROM THE WATER
SUPPLY BANK**

Dear Lessor:

On April 19, 2017, the Department of Water Resources (Department) received your request to cancel the existing Water Supply Bank (Bank) Lease Contract executed on February 15, 2013 and release water right(s) 13-962 and 13-963 from the Bank. **At this time the Department acknowledges that the Bank Lease Contract for water right(s) 13-962 and 13-963 has been canceled releasing the right(s) from the Bank.**

The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

You can reapply to lease the water right(s) in the future by submitting new application form(s) from the Department's website at www.idwr.idaho.gov along with applicable fees.

If you have any questions regarding this matter, please contact me at (208) 287-4910.

Sincerely,

for Clay Webster

WATER SUPPLY BANK
REQUEST TO RELEASE A WATER RIGHT FROM THE BANK

ONE FORM PER WATER RIGHT

All water rights leased into the Water Supply Bank shall remain unused by the water right holder for the duration of the Lease Contract. The water right will not be released from the Water Supply Bank until the conclusion of the Lease Contract unless otherwise authorized by the Idaho Water Resource Board. Water right holders may use this form to petition for early termination of their Water Supply Bank Lease Contract.

Water right holders seeking an early termination of a Lease Contract must demonstrate justifiable need for the release. Water rights under Lease Contract that are eligible for early termination can be released from the Water Supply Bank if the release will not impair administration of the Water Supply Bank. **If a water right is currently rented, it cannot be considered for release until the Rental Agreement concludes.** A water right is not released from the Water Supply Bank until written release confirmation is issued by the Water Supply Bank.
