RE: Transfer No. 80119
Water Right No(s). 75-7559

Dear Applicant(s):

The Department of Water Resources has received your water right transfer application. Please refer to the transfer number referenced above in all future correspondence regarding this transfer.

A legal notice of the application has been prepared and is scheduled for publication in the RECORDER HERALD on 5/4/2017 and 5/11/2017. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".

RE: Transfer No. 80119, Water right 75-7559, in the name of Pleasant Meadows Water Co.

Dear Interested Party:

The Department of Water Resources is notifying you of an application for transfer that may be of interest to you. A full description concerning property location may be found at:

<https://idwr.idaho.gov/apps/ExtSearch/WRAJSearch/WRADJSearch.aspx>.

This transfer is to correct the legal description to match the actual location of the point of diversion (POD) and place of use (POU). The POD and POU were originally in Township 21N, Range 22E, Sections 7, 17 & 18. The real POU and POD are located in Township 22N, Range 22E, Sections 7, 17 & 18, also known as Pleasant Meadow Subdivision. There is no physical change proposed. The water has always been delivered to the Pleasant Meadow Subdivision.

If you desire to file a formal protest against approval of the application, a written protest along with the \$25 protest fee for each application protested must be received by **May 22, 2017**.

Please contact this office at (208) 287-4800 if you have any questions regarding the application.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".

This application proposes the diversion and use of water from ground water tributary to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because the diversion rate and acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact the State office at (208) 287-4800; or for a full description of the right(s), please see www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, State Office, 322 E Front St, PO Box 83720, Boise, ID 83720 together with a protest fee of \$25.00 for each application on or before **5/22/2017**. The protestant must also send a copy of the protest to the applicant.

MEMORANDUM

Date: March 21, 2017
To: Transfer File 80119
From: Kyle Rayworth
Re: Application for Transfer Review

Brief

Applicant proposing to correct legal description to match actual location of POD and POU for Water Right 75-7559. This application proposes to correct the legal description to match the actual location of the POD (from the SE of the NE Lot 7 Section 18 Township 21N Range 22E to the SE of the NE Lot 6 Section 18 Township 22N Range 22E) and POU (from Township 21N to 22N), as the Township was incorrectly listed as 21N instead of 22N on the license.

Authority To File

Application signed by Sue Adams, registered agent of the company per IDSOS 2016 annual report. The entire POU is under the ownership of various owners of individual lots located within the subdivision. The POD is currently located on a lot owned by Don Adams (per available tax lot information) that is currently located within the subdivision.

Water Right Validity

Right assumed valid per issued license for Water Right 75-7559.

Injury To Other Water Rights

There is no injury anticipated as a result of this transfer.

Enlargement Of Use

This transfer will not increase the existing rate or volume, and no change in the nature of use is being requested. There are also no other overlapping rights outside of Water Right 75-10519, also licensed by the same owner, for the irrigation of this subdivision. There is no anticipated enlargement.

Local Public Interest

This transfer is a request to correct the legal description to match existing POD and POU use and conditions. And to avoid an issue regarding the local public interest, government lots and quarter-quarters will reflect current GIS information.

The property owners residing in the area the water right was licensed will be contacted by letter regarding the correction.

Beneficial Use/Conservation Of Water Resources

Applicant proposed beneficial use consistent with irrigation standards for the area.

Review of the application finds there is no clear inconsistency with criteria of I.C. § 42-222 preventing processing of this application
