REQUEST FOR EXTENSION OF TIME

To provide additional time in which to submit proof of beneficial use for a water right permit

The Idaho Department of Water Resources will consider this form a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code, in which to complete development of a water right and file proof of beneficial use of water. There is a **FILING FEE of \$50.00** to be included with this form when filed with IDWR.

Permit no. 13-07934 Date proof is due May 1, 2017
 Name(s) of permit holder(s) PacifiCorp, an Oregon Corporation
 Mailing address 1407 W. North Temple, #110 City Salt Lake City State UT Zip 84116
 Telephone no. 801-220-7803 Email buffi.morris@pacificorp.com

Describe what work has been completed toward the development of this water right:

If no work has been completed, show "none".

Approximately half of the anticipated pipeline corrosion prevention system has been installed.

Costing \$ ≈ \$367,000

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

The functionality and success of the system is still under evaluation. Further system improvements are dependent upon need and funding. Upon determination that the system is adequate, a water proof will take place. The water proof must take place when the ground is neither frozen nor saturated.

Permit holder(s) request an extension for Five (5) 3 year(s).*modified per email request received from permit holder on 4/20/2017*

REQUEST FOR EXTENSION OF TIME LETTER

RE: Permit No. 13-7934

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **May 01, 2020**.

The department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of the project during the development period allowed, according to Section 42-204(6), Idaho Code.

The extension is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01). It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov.

If you have any questions concerning this permit, please contact the State Office of the Department located in Boise at (208) 287-4800.

Sincerely,

Darla Block

EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was not held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "Preliminary Order" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

Subject: RE: Extension of Time Requested for Permit #13-7934

Hi Darla - No worries. Yes, PacifiCorp would like to modify the existing request to reflect 3 years, rather than the 5 originally listed. As per your email, the modified request of 3 years will fall within the allowed "initial development period" and preserve PacifiCorp's ability to file for a five year extension should additional time be required to complete the project.

I appreciate you working with us on this request.

Kind regards,
Buffi Morris

Dear Buffi,
I inadvertently had the wrong water right permit number on the email I sent you, therefore your reply also contained the wrong permit number. The correct permit number is on this email. Would you mind replying once more?

Subject: Extension of Time Requested for Permit #13-7934

April 20, 2017

Dear permit holder:

According to Section 42-204, Idaho Code, you are allowed an initial development period of 5 years and only one extension request after that for up to 5 more years. Your permit allowed only 2 of the initial 5 years allowed. If you were to ask for 3 years on this extension now, you would be meeting the initial 5 year development period allowed. Then you could file one more extension later if need be for up to 5 more years.

On this extension request you have asked for 5 years. **If you were to request that the Department modify your extension request form to reflect a 3 year extension in lieu of the 5 years currently requested on your form, you would be meeting your initial 5 year development period allowed**, giving you an opportunity later for another extension for up to 5 more years.

However, in order for me to modify your request for extension of time form from a 5 year extension to a 3 year extension, I need written request from you stating that you would like to have your extension request form modified to reflect a 3 year extension in lieu of the 5 years currently stated on the form. A reply to this email could be used as your written request to have your form modified. **Please respond as soon as possible, and be as specific as you can in your request.**

Once I receive your reply, I will be able to move forward with processing your extension request. I will hold this matter for 1 week from today for a response.

Sincerely,

Re: 13-07934 – Request for Extension of Time

To Whom It May Concern:

Enclosed is PacifiCorp's request for a five year extension on the Proof for Water Right 13-07934 and check for the associated filing fee. Approximately half of the anticipated pipeline corrosion system has been installed and we will continue to evaluate the system making additional improvements as needed. Upon determination that the system is adequate we will submit proof of beneficial use.
