RE: Water Right No. 21-10536

Dear Interested Parties:

The Department of Water Resources received a Notice of Security Interest in a Water Right on April 17, 2017 for the above mentioned water right. After reviewing the request, it was determined that this request was processed for Wells Fargo Bank at our Eastern regional office on March 17, 2017. A letter was sent to Wells Fargo on that date informing them that the current owner of the water right was Edythe Weerts and provided instructions on updating the water right. I am returning the documents submitted to this office.

It appears this request should be a Notice of Change in Water Right Ownership. If so, I have included a form for your convenience. Please fill out the form and return to my attention, including a conveyance document, such as a warranty deed (the Deed of Trust does not convey property), and a map. I will apply the previously paid \$25 to the ownership change notice. If you have any questions regarding this matter, please call me at (208) 287-4920.

Sincerely,

Debbi Judd
Technical Records Specialist
