EMMERT

STIPULATION

Applicant Chris Emmert and protestant Boise Project Board of Control hereby stipulate to the following pursuant to Rule of Procedure of the Idaho Department of Water Resources ("Rule of Procedure") no. 557:

1. Robert D. Schmidt is qualified as an expert witness to testify to the matters contained in his report entitled *Conjunctive Hydrologic Modeling Analysis of Proposed New Groundwater Pumping in the Boise Basin South of Lake Lowell (Appl. 63-84079 and 63-84080)*, dated February 13, 2017.

2. Robert D. Schmidt's report entitled *Conjunctive Hydrologic Modeling Analysis of Proposed New Groundwater Pumping in the Boise Basin South of Lake Lowell (Appl. 63-84079 and 63-84080)*, dated February 13, 2017, is admissible as the testimony of Mr. Schmidt in this matter pursuant to Rule of Procedure 605.

3. Terry M. Scanlan is qualified as an expert witness to testify to the matters contained in the report authored by SPF Engineering entitled *Expert Report in Support of Water Right Applications 63-34079 and 63-34080*, dated December 29, 2016.

4. Christian R. Petrich is qualified as an expert witness to testify to the matters contained in the report authored by SPF Engineering entitled *Expert Report in Support of Water Right Applications 63-34079 and 63-34080*, dated December 29, 2016.

5. The report authored by SPF Engineering entitled *Expert Report in Support of Water Right Applications 63-34079 and 63-34080*, dated December 29, 2016, is admissible as the testimony of Terry Scanlan and Christian Petrich in this matter pursuant to Rule of Procedure 605.

6. All the documents contained in the Idaho Department of Water Resources file for applications 63-34079 and 63-34080 are admissible and submitted into the record of hearing.

7. Applicant Chris Emmert made applications 63-34079 and 63-34080 in good faith and not for delay or speculative purposes.

8. Applicant Chris Emmert has sufficient financial resources with which to complete the project described in applications 63-34079 and 63-34080.

9. Robert D. Schmidt may appear and testify at the hearing on April 6, 2017, by telephone.

10. A demonstrative exhibit prepared by the Boise Project Board of Control, a map containing the location of Lake Lowell, various canals and drains, as well as the location of the places of use designated in the Emmert applications, may be used at the hearing.

Dated this 23rd day of March, 2017.
