Dear Darla Block:

Water Right 63-33587 – Boise Idaho LDS Temple

Please find included the completed the "State of Completion" for the proof of Water Right 63-33587. This ground water right is used to supplement surface water irrigation for the surrounding landscaping and lawn. The irrigation covers the landscaping need surrounding two structures, the LDS Temple to the south (SESE Sec 13 Township 3N Range 1E) and a chapel to the north (NESE Sec 13 Township 3N Range 1E). It also covers irrigation of the IDOT property south of the Temple and North of the Freeway onramp.

Total irrigation in the SESE is 4.5 ac and in the NESE there is 1.0 ac. Please see the enclose map. There are two additional water rights that cover these properties 63-10142 and 63-33478.

If you have any questions, please email or call.

Best Regards,
