Re: Annual Report to IDWR

On January 3, 2017, IDWR received the 2015 and 2016 Aquifer Recharge Reports for the above water rights. The reports were submitted by Charles E. Brockway (Brockway Engineering PLLC) on behalf of the right holder, The Valley Club Inc. An annual report is a requirement from the approval of Transfer 78255.

I have reviewed the reports and found that they satisfy the monitoring and reporting requirements.
