RE: Water Right License Nos. 57-11717 & 57-11721

Dear Water Right Owner,

This letter is being sent to notify you that the Idaho Dept. of Water Resources (IDWR) has updated the record for the attached water rights to reflect an amended partial decree issued by the Snake River Basin Adjudication (SRBA) Court. The rights as originally decreed by the SRBA Court carried a condition that read:

"DIVERTING WATER BEFORE OR AFTER THE PERIOD OF USE UNDER THIS RIGHT IS ALLOWED PROVIDED: A. THE WATERS SO DIVERTED ARE APPLIED TO A BENEFICIAL USE, AND B. THE EXISTING RIGHTS AND FUTURE APPROPRIATIONS ARE FIRST SATISFIED."

The court subsequently issued an amended partial decree to remove that condition. IDWR has updated its records to reflect the amended partial decree. The attached proof reports represents your water rights as it is currently recorded in our records. You do not need to do anything. This notice is provided for your information. If you have questions please contact our office.

Thank you,

Cody Parker
Water Resource Agent
