NOTICE OF PROTEST

This form may be used to file a protest with the department under sections 42-108B, 42-203A, 42-203C, 42-211, and 42-222, Idaho Code. The department will also accept a timely protest not completed on this form if it contains the same information.

1. Matter being protested Application for Transfer No. 81477 for Randy Purser
2. Name of protestant Robert Moss
3. Protestant's Representative for service (If different than protestant)
Rocky Mountain Environment, 482 Constitution Way, IF ID 83402
4. Service mailing address 3490 W 3600 N, Moore, ID 83255
5. Service telephone no. 208-554-4302 Email Address: _____
6. Basis of protest (including statement of facts and law upon which the protest is based)

An approval of this transfer would be an enlargement of use. The validity of the water rights is questionable as they have not been diverted through the B & J in many years. Diversion of these rights through the 3-in-1 ditch would also injure my water rights.

(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Proof that there will be no enlargement of use and that there will be no injury to my water rights or other users at the proposed diversions.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 21 day of March, 20 17.
