RE: Status of Settlement Efforts Related to Application for Permit No. 96-9568

Dear Applicant and Protestants:

The Idaho Department of Water Resources held a pre-hearing conference related to the above referenced contested matter on August 23, 2016 in Sandpoint, Idaho. At the conference, the parties agreed to work towards a settlement agreement. The Department has not received a settlement agreement or withdrawal of protests.

Please let me know if you are actively pursuing settlement of the protest. If not, we will move forward and scheduling a hearing to resolve the matter.

Please contact the office at (208) 762-2800 if you have any questions.

Sincerely,

Morgan Case
Northern Regional Manager
