Good morning, Holly,

I was delayed in getting this to you yesterday and I hope I'm not too late for starting publication in BCDB this week. (One for CDA Press should follow soon.)

Please publish the attached legal notice in the Bonner County Daily Bee on the dates indicated, March 16 and 23, 2017, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready – for 2-column, 8pt, Arial font, maybe close enough for copy and paste, with very little modification.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 4/3/2017. Your assistance is very much appreciated.

It's really a joy working with you, Holly, and thanks for all your super help.
