Hi, Bri,

Will you please publish the attached legal notice on the dates indicated, March 15 and 22, 2017, (once a week for two consecutive weekly editions. If you can't publish the notice on the proposed dates, please contact me immediately.

This should be very close to press ready – for 2-column, 8pt, maybe even be close enough to just copy and paste, with very little modification. I assume you can modify my Arial to whatever font you are now using.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should print in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 4/3/2017. Your help is always appreciated, and it's really a pleasure to work with you. Thanks for all your great help.
