To: Idaho Department of Water Resources

I recently received my Partial Decree Water Rights from the Idaho District Court. I have reviewed them carefully. The accompanying guide stated that if I found an error, I should call the IDWR Regional Office in Coeur d'Alene. I did so, and was nicely directed to the enclosed Change in Address form.

The only error I found in the decrees was the omission of the C in my apt. #, 5C. It occurred in all five decrees and on the mailing envelope from the Court. The apt. # was correct on the recommended water rights from IDWR.

Thank you very much,

Steady, Natalie

Chad,

Vicki contacted Diana, so the court is aware of the issue. And, technically our database did not follow the published data entry standards (See page 17 about hyphens).

The court's software truncates anything longer than 30 characters. The "-C" are characters 31 and 32. We should probably change our data to show: 5834 S Stony Island Ave Apt 5C

That would keep it at 30 characters.

Since the court knows about this in particular problem, we are hoping they will correct and resend the partial decrees.

All,

Just looking at this one on my desk and figured I would ask how it is going. With our data base being correct what if anything can we do?

Thanks,
Chad

Here is the address from the data file we sent the court: 5834 S STONY ISLAND AVE APT #5-C

I wonder if the hyphen was the problem?

Chad,

Please copy the claim numbers with the truncated address to me as well so I can check what we actually sent the court in the court data file.

Thanks, Carter
