CONDITIONS OF APPROVAL

1. The commercial use under this right shall not exceed 2,500 gallons per day.
2. Use of water under this right shall be non-consumptive. At such time in the future as the Director determines necessary to protect the prior rights of other users, the Director may require determination of the rate of loss within the system using a procedure approved by the Director, and may require mitigation for all system losses.
3. Commercial use is for restroom and kitchen facilities at a waste transfer station.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 14th day of March, 2017.
