RE: Notice of Change of Water Right Ownership

James and Frances Farnam
1855 Laird Lane
Weiser, ID 83672

Dear Mr. and Mrs. Farnam:

This office has reviewed the Notice of Change of Water Right Ownership form submitted to our office. However, due to the items below, we cannot continue to process this ownership change. We are returning the Notice of Change of Ownership to you to research the items identified below.

There are no claims filed in the Snake River Basin Adjudication (SRBA) under the former owner's name. However, in our previous water right records I found a statutory claim in Mr. Laird's name for stockwater purposes from Kuntz Spring. A claim can still be submitted in the SRBA for this use. I have enclosed a copy of Statutory Claim No. 67-4212 for your information.

In researching the legal descriptions on your warranty deed, I searched both our previous records and records of claims filed in the SRBA, and found a couple of old decreed rights which may have been used by Mr. Laird. Right No. 67-0616 was not claimed at all and it was for the irrigation of 70 acres within the W $\frac{1}{2}$ SE, Sec. 18, Twp. 11N, Rge. 4W. Right No. 67-0618 was partially claimed by Marvin Pound, but there is still a portion of this right that has not been claimed in the SRBA which appears to be appurtenant to your property. I have enclosed computer generated profile reports of these rights for your information.

I also found a couple of claims in the name of James Cole which appear to be located within your property description. Claim No. A67-04318 is for the irrigation of 5 acres in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 23, Twp. 11N, Rge. 5W, and Claim No. A67-10916 is for domestic purposes within the same 40 acre parcel.

SCANNED MICROFILMED
APR 06 2004 AUG 05 1994

It also appears that you receive water from Mann Creek Irrigation District. If this is the case, then the water right remains in the name of this entity and you should contact them concerning the ownership change.

As stated above, you can still submit claims in the SRBA if you feel the water has not gone for more than 5 years of non-use and will be used in the future. Please feel free to come into our office for assistance in filing claims on these water rights. We are open from 8:00 am to 5:00 pm, Monday through Friday. It would also be helpful if you could bring this letter with you so any of our staff can assist you with your claims.

Sincerely,

KAY WALKER
Sr. Water Resource Agent

QUANTITY: 0.980 CFS

This right shall receive 100% of its decreed amount until the natural flow of the waters of Mann Creek shall decrease so that all rights cannot receive 100%, at which time this right and other various decreed rights, as established by the district court in Jefferson et al. v. Higgenbotham et al. (Washington County, June 3, 1921), shall be cut to 70% of the said amounts, beginning with the latest right and proceeding to the earliest right in the order of priority.

PRIORITY DATE: 04/01/1906

This right is a Secondary Right, as established by the district court in Jefferson et al. v. Higgenbotham et al. (Washington County, June 3, 1921), and, as such, is subordinate only to all rights identified as Primary Rights on Mann Creek.
