Conditions of Approval:

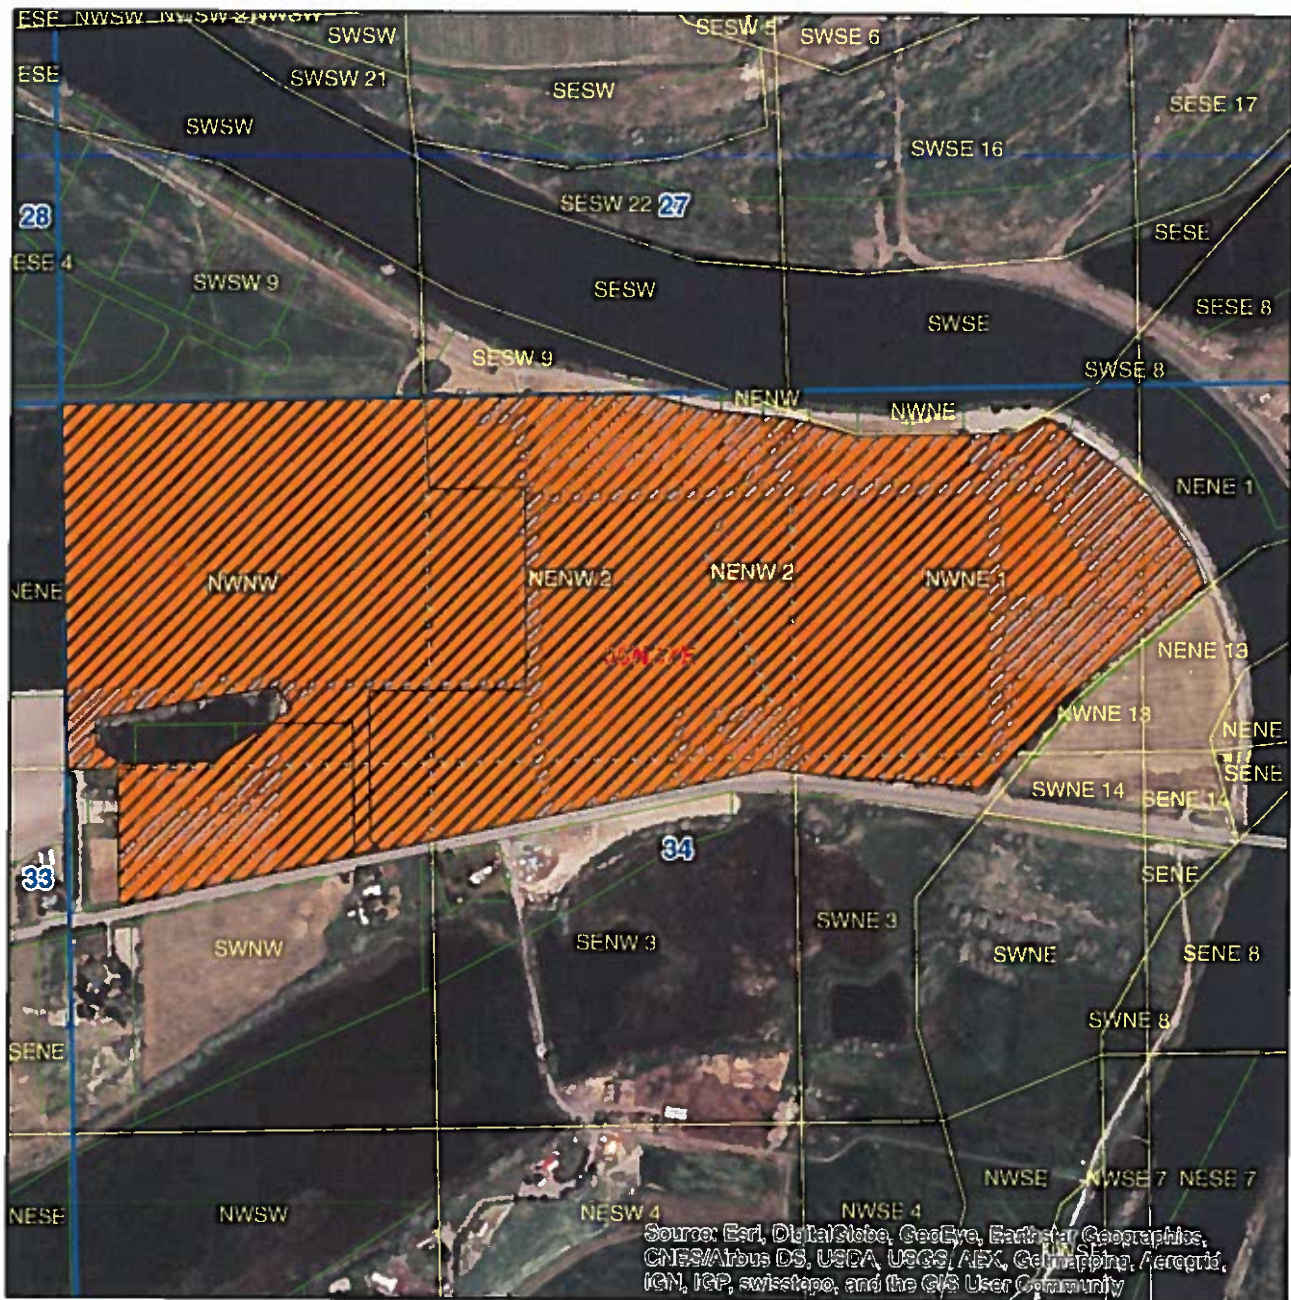

- The right holder is authorized to divert water under this right only after having annually rented or obtained adequate stored water from the Water District 01 Rental Pool for the irrigation season when water is not available for this right.
- R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
- 004 The issuance of this right does not grant any right-of-way or easement across the land of another.
- R55 This right is for the use of trust water and is subject to review 20 years after the issuance of the permit to determine availability of water and to re-evaluate the public interest.
