Having considered what is in the best interest of the District and having considered all received written objections thereto, the American Falls – Aberdeen Ground Water District Board of Directors deems annexation of the proposed lands and facilities, as listed under the specific ground water rights in the Notice of Annexation of Land and Facilities into the American Falls – Aberdeen Ground Water District in the best interest of the District. Therefore, the Board of Directors orders that said lands and facilities be included into the District.

Hereafter, the included lands shall be subject to such assessments from time to time as the Board of Directors shall deem right under the circumstances, and such assessments shall be deemed to be assessments for benefits to said lands by reason of their annexation to said District. A copy of this Order shall be filed in the recorder's office in the counties of Power and Bannock.

Ordered by unanimous vote of the Board of Directors - Nic Behrend, Chris Pratt, Tim Deeg, Gary Gehring, Brock Driscoll, present.
