Transfer #81462
Duwayne and Kathy Kimball
Correct location of POU & POD

TRANSFER 81462

MEMORANDUM

Date: February 21, 2017
To: Transfer 81462, DuWayne or Kathy Kimball File
From: Jim Bitzenburg
Re: Evaluation of Sufficiency of Information Submitted

This application seeks to correct an inaccurately described point of diversion (POD) and place of use (POU) for water right 47-10987 (domestic and stockwater, 0.06 cfs). The actual POD and POU are located approximately 4.5 miles east and 1.2 miles south of Castleford, but were decreed about 0.6 mile south of there.

This is a paper correction and the POU and POD are not actually moving, so advertisement is not necessary per the March 18, 2009 memo by Allen Merritt on advertising guidance. The transfer is not located within a water district, so water master comments will not be solicited.

- **Authority to File:**
The Department's database indicates that water right 47-10987 is owned by the applicants, DuWayne and Kathy Kimball. DuWayne Kimball signed the application.
- **Water Right Validity:**
Right 47-10987 was partially decreed in the SRBA in May of 1999. An occupied home exists on the property, and cow sheds appear to be present so forfeiture may not be an issue.
- **Injury to Other Water Rights:**
None anticipated or foreseen.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No issues anticipated.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:**
None Anticipated
- **Effect of the Agricultural Base of the Area:**
None Anticipated

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

FEE MEMORANDUM

Date: February 21, 2017
To: Transfer #81462, DuWayne and Kathy Kimball file
From: Jim Bitzenburg
Re: Receipting/disposition of fees paid

This transfer was filed to correct an inaccurately described POU and POD for a single water right, 47-10987 (0.06 cfs, domestic and stockwater). The small diversion rate falls under the minimum transfer fee of \$200.00 in the transfer fee schedule. The fee was paid by the DuWayne and Kathy Kimball with check #2184 on 2/17/2017, receipt #S035945.

MEMORANDUM

Date: February 21, 2017
To: Transfer 81462
From: James Bitzenburg
Re: Legal Notice Not Required

Legal Notice Not Required
2/21/2017

Pursuant to Section 42-222, Idaho Code, the Department has discretion to provide public notice as deemed appropriate. The water right changes proposed through this transfer application do not appear to change the effect on the original or hydraulically connected water source or affect other water rights. Therefore, staff review of the transfer application found no cause to require public notice. This application will continue processing without advertisement and be forwarded for approval consideration.

Transfer is a paper correction only. The actual POD and POU are not moving, so no legal notice is required per the March 18, 2009 Advertising Guidance Memo by Allen Merritt.
