Katie,

Thank you for your email. You are correct that the fee for a split in ownership is \$100, however, there is also a \$25 fee for the security interest. The document I find attached is a commercial real estate mortgage, which will work for the security interest, however, for the ownership change a conveyance document, such as a warranty deed will be necessary. I have included Jean Hersley in this email as she will be processing the ownership change. You may contact her in the future regarding the ownership change.

Best regards,

Debbi

Good morning Debbie, in response to your letter on the water rights for Arnold Crystal #13-620 I have attached a copy of our recorded deed. As for the \$100, this is a split which we understand is a \$100 fee. Please let me know if you need anything else we are happy to assist. Thank you!!
