RE: Change in Ownership Water Right No. 35-7227 & 35-12761

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership or Filing Fee:** According to the information received with your application you do not own a portion of 35-7227 and 35-12761. In order for the department to complete your ownership change additional information or additional filing fees will be required. According to the taxlot data the property in question is owned by different individual owners. If you believe you should have full ownership of that water right please supply evidence of ownership of the property or an agreement with the property owners that they have no interest in the water right. If you determine the water right will require a split please provide the additional filing fee. The filing fee for a split water right is \$100.00 per water right because we have already received \$25.00 for each water right number therefore an additional \$150.00 would be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

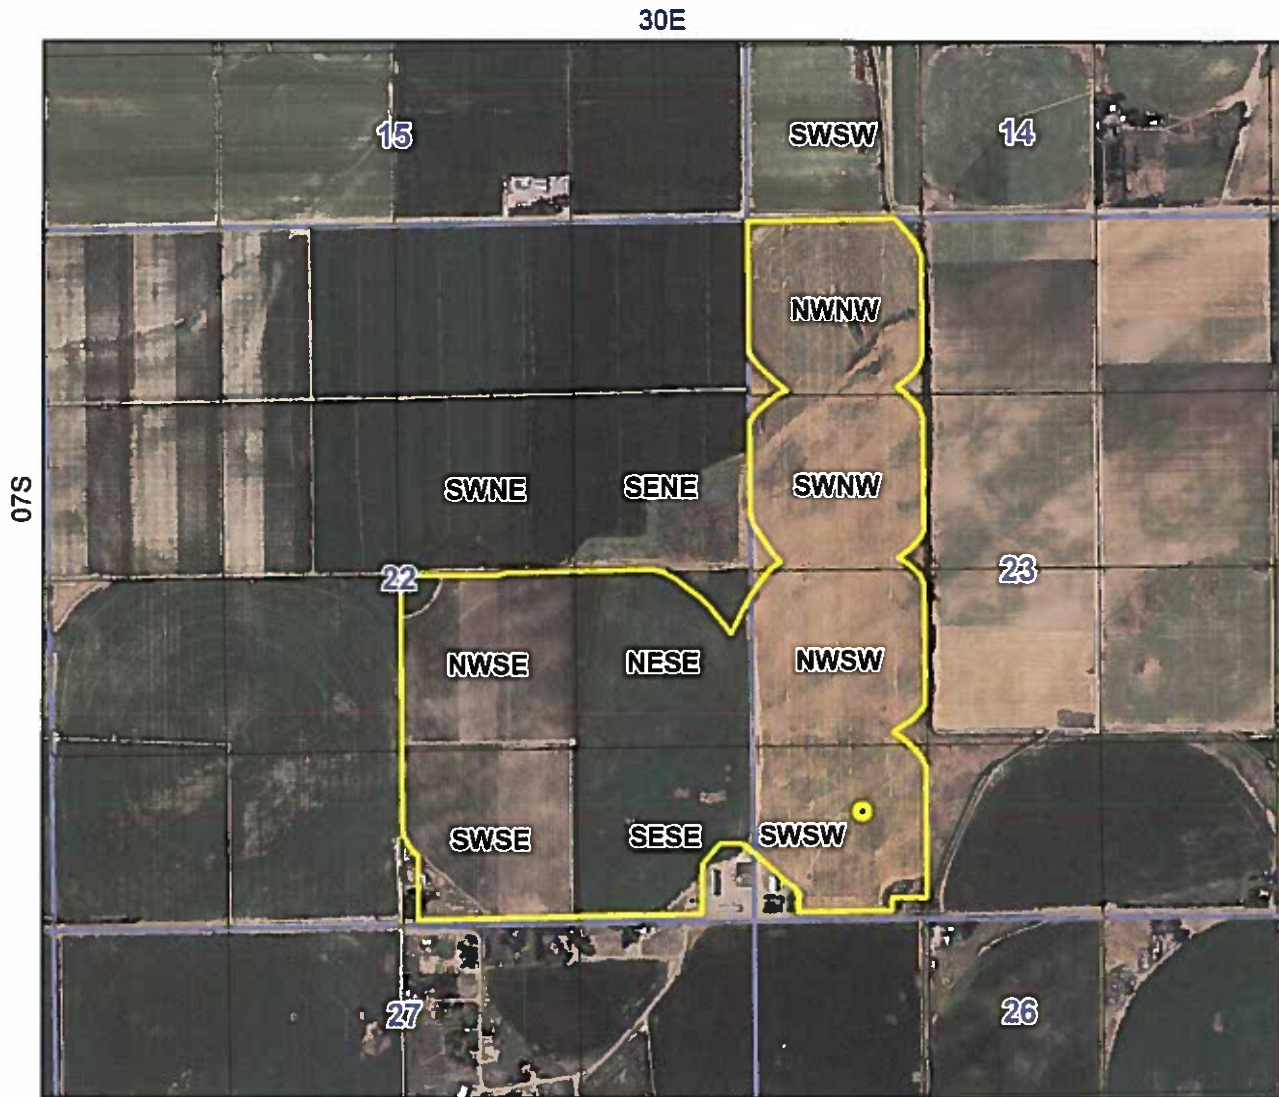

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
