NOW THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. **DISTRIBUTION OF ESTATE.** The parties agree that TONI is entitled to distribution of property of the Estate which is characterized as the community property of the decedent and TONI. The parties further recognize and agree that the decedent executed a Last Will and Testament dated March 7, 1984, which has been submitted to formal probate in the Estate (the "Will"). The parties further agree that TONI is entitled, as an omitted spouse under the Will, to distribution of one-half (½) of the property of the Estate which is characterized as the separate property of the decedent. The parties further agree that the Children are entitled to distribution of one-half (½) of the property of the Estate which is characterized as the separate property of the decedent. All transfers and agreements set forth in this Agreement shall not become effective until all parties have affixed his or her signature to this Agreement.

2. **DISTRIBUTION OF REAL PROPERTY.** The parties recognize that the Estate consists of several parcels of real property that are subject to distribution from the Estate. To accomplish distribution of real property assets from the Estate, the parties agree to distribute such real property as follows:

A. **Ranch House.** The Estate holds an interest in certain real property, structures and improvements in Custer County, Idaho, which is commonly referred to as the "Ranch House," Tract 95-33 S30T9NR22E (the "Ranch House"). The parties recognize and

agree that they have full and complete knowledge of the exact legal description of the Ranch House and no further explanation or description is required to define the Ranch House for purposes of this Estate Agreement. The Ranch House shall be distributed as follows:

1. Portion to TONI. TONI shall receive distribution of the structures, residence and improvements on the Ranch House and twenty (20) acres of real property comprising the Ranch House which lies east of the structures and residence. The legal description of the real property to be distributed to TONI, subject to survey verification, is the East 332.5 feet of the SE 1/2 Sec. 30 T. 9N., R22E, BM, Custer County, Idaho.
2. Portion to Children. The Children shall receive distribution of twenty (20) acres of real property lying west of the structures, residence and improvements on the Ranch House to be held as tenants in common or as otherwise agreed by the Children. The legal description of the real property to be distributed to the Children, subject to survey verification, is the West 332.5 feet of the East 665.0 feet of the SE 1/4 Section 30 T. 9 N., R22E., B.M., Custer County, Idaho.
3. Survey. The Children shall pay all costs and expenses necessary to obtain a survey of the Ranch House to accomplish the division set forth in this Paragraph A of Section 2 of this Agreement. Prior to recording or effectuating any division of the Ranch House property as contemplated in this Paragraph A of Section 2 of the Agreement, the Estate shall review the survey with TONI and the Children and all parties shall approve (either

verbally or in writing) the proposed survey as presented. In the event of any dispute regarding division of the Ranch House pursuant to this Agreement, the Court in the Estate proceeding shall retain jurisdiction to resolve any and all disputes regarding the division of the Ranch House to carry out the distribution under this Agreement. Attached hereto marked as Exhibit "A," and incorporated herein by this reference is a survey of the Ranch House property and which survey sets forth the proposed lines of division and distribution between the parties. The parties accept the survey attached hereto as Exhibit "A" and agree to cooperate in the subdivision of the attached Exhibit "A" to any governmental agency that is necessary or useful to complete the full and complete proper division of the Ranch House on the records of Custer County, Idaho.

4. Payment of Taxes. All outstanding or accrued real property taxes, assessments or other charges arising from or relating to the Ranch House shall be apportioned between the parties in accordance with relative value of the property received by the Children and TONI or as otherwise agreed. In the event of any dispute regarding allocation of the real property taxes, assessments or other charges, the Court in the Estate proceeding shall retain jurisdiction to resolve any and all disputes regarding such allocation. It is recognized that a greater allocation of such real property taxes and assessments to TONI may be appropriate based upon the value of the structures and improvements comprising part of the Ranch House.

B. Crow's Nest Lots. The Estate shall distribute or release to TONI any interest of the lots in the Crow's Nest Subdivision located in Custer County, Idaho. The Estate shall execute such documents as are necessary and useful to release any interest of the Estate in the Crow's Nest lots. The Estate shall execute such documents as are necessary and useful to release any interest of the Estate in the Chilly Butte lots. The parties recognize and agree that they have full and complete knowledge of the exact legal description of the Chilly Butte lots and no further explanation or description is required to define the Chilly Butte lots for purposes of this Estate Agreement.

D. Mackay House. The Estate shall distribute or release to TONI any interest of the Estate in a residence located in Mackay, Idaho, which is commonly described as Lots 1 and 3 of the Mackay Miners Subdivision located in Mackay, Idaho.

E. Indemnification for Liabilities. The parties agree that in accepting distribution of real property pursuant to this Agreement, such receiving party agrees to indemnify and hold harmless the Estate and the other heirs from any and all liability, responsibility, claim real property taxes, actions, expenses or other damage or challenge arising from or relating to any real property or asset received by the party pursuant to this Agreement. By accepting distribution

of real property pursuant to this Agreement, the receiving party expressly recognizes and agrees that he or she is aware of or has had an opportunity to investigate the potential liabilities, challenges, claims, damages or liabilities arising from or relating to said real property and expressly agrees to accept such real property with this knowledge. The parties further recognize and agree that the provisions of this Paragraph E of Section 2 shall extend to all such claims or liabilities, whether known or unknown, contingent or liquidated. It is the intent of the parties that the real property shall be distributed from the Estate to the heir subject to any and all liabilities, claims, or challenges without contribution or liability of any other heir or distributee of the Estate.

3. **NOTE RECEIVABLE.** The parties recognize that the Estate owns an interest in a Deed of Trust Note executed July 30, 1999, between Milton Horace Butler and Billy Quinn (the "Note Receivable"). The Note Receivable is currently held in escrow with First American Title (the "Escrow Company"). Commencing on October 1, 2005, TONI shall be entitled to receive distribution from the Escrow Company of ten (10) consecutive regular monthly payments under the Note Receivable. TONI shall not be entitled to receive any additional principal payments or other sums that may be paid on the Note Receivable and all such additional principal payments or other sums shall be distributed by the Escrow Company one-half (½) to TONI and one-half (½) to the Children (as they shall agree). After payment to TONI of the regular monthly payments set forth in this Section 3, all remaining interest, principal, penalties or other charges or costs received by the Escrow Company arising from or relating to the Note Receivable shall be distributed by the Escrow Company one-half (½) to TONI and one-half (½) to the Children (as they shall agree). 11. **Final Settlement.** The parties agree that this Agreement shall constitute a full and final settlement of the Petition, Objection and any remaining or outstanding matters between them arising from or relating to the Estate. The parties agree that this Agreement is not required to be submitted to the Probate Court of the Seventh Judicial District in the Estate proceeding and the failure to submit this Agreement to said Court for approval shall not impair or interfere with the effectiveness of this Agreement or its binding effect between the parties hereto. Once this Agreement has been signed by both parties, TONI shall submit a notice voluntarily withdrawing the Petition and Objection in the Estate proceeding. This Agreement contains the entire agreement among the parties with regard to the subject matter set forth herein. The parties to this
