RE: Water Right No. 43-7301 & 43-10553

Dear Mr. Olofson:

The department has received your Change of Address. After further research, it appears that you may be the current owner &/or water right holder of the property associated with the water right(s) referenced above. Therefore, you will need to file a Change of Ownership, rather than a Change of Address. Enclosed is additional information, for your review.

Before we can modify our records to reflect your ownership of this water right, we need to have the enclosed Notice of Change in Water Right Ownership form completed. Please follow the instructions attached to the form and return to this office with all of the required information.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Denise Maline
Administrative Assistant
