PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 65-23466

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Darla Block
Technical Records Specialist

MEMORANDUM

TO: Water Right Permit File # 65-23466

FROM: Darla Block

DATE: January 20, 2016

SUBJECT: Copy of Proof of Beneficial Use Received on 11/17/2016.

On November 21, 2016, the Department returned the proof form that was submitted on 11/17/2016 with a deficiency letter because it was clearly a copy that was submitted.

On December 20, 2016, the Department received the proof form, and again it was clearly a copy being submitted for a second time.

On December 21, 2016, I called the phone number listed on the proof form, and spoke with Heather. Heather thought this was the original. She said that she would look into it.

On January 1, 2017, I called again and spoke with John Danhakls' secretary. She told me that John would be in the office on Monday the 9th, and she would have him fill out a new form and sign it.

On January 19, 2017, the Department received a new version of the Proof of Beneficial Use form which was an acceptable original.

The proof due date was January 1, 2017. Proof received late. Reinstate permit and advance priority date.
