RE: Permit No. 65-23483

Dear Permit Holder(s):

On January 30, 2017, the Department received your Request for Extension of Time ("extension request") regarding the above-referenced permit.

The Department failed to notice your Proof of Beneficial Use Due Date of November 1, 2017 when informing you that you could file a Request for Extension of Time (extension request) in lieu of the Proof of Beneficial Use Statement (proof) you submitted to the Department on January 18, 2017.

Department policy has been to return to the requestor, extension requests which are filed more than six (6) months prior to the Proof of Beneficial Use Due Date, as they are considered premature. Since the Proof Due Date on this permit is November 1, 2017, I am returning your extension request as unprocessed.

Therefore, I will initiate the process to refund the \$50.00 filing fee submitted. You should receive a State of Idaho check for \$50.00 within ten business days under separate cover.

If need be, you may resubmit your extension request at a later date not prior to six (6) months before the proof due date of November 1, 2017. Please note, your resubmittal will be the only extension request the Department could grant, and you could ask for up to 5 more years if needed based on good cause, according to Section 42-204(6), Idaho Code.

The Department will send you a 'Proof Due Notice' approximately 60 days prior to the above referenced proof due date requesting you to file either a Proof of Beneficial Use form or a Request for Extension of Time form.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,
