Subject: Status of Hagen 74-16059

The Pre-hearing conference was held this morning. Jeff Richards for IDFG presented a draft stipulated settlement and proposed water right conditions. Mr. Hagen is in tentative agreement. IDFG will prepare a clean copy of the settlement for execution then Mr. Richards will submit the signed agreement / protest withdrawal to IDWR. I did not set a deadline for this but I expect it will occur within 2 weeks. What is your general deadline for submission of signed settlement agreements?
