RE: Application for permit # 78-12421

Dear Danie;

We reviewed the referenced water right application from Mr. John Wallace for storage water from an unnamed stream tributary to Round Valley Creek, tributary to the Little Salmon River. We do not have any concerns for fish and wildlife with the amount of storage.

If you need any further information please contact Dale Allen; Regional Fishery Manager in our McCall office at 208-634-8137.

Sincerely,
