RE: Water Right 73-57, 73-101 and 73-102

Dear Water Right Holder:

The Department of Water Resources recently completed a Notice of Change in Water Right Ownership for water right 73-57, 73-101 and 73-102.

Please note, water right 73-57, 73-101 and 73-102 were leased to the Water Supply Bank (bank) in 2015. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the bank, even if the right(s) is not rented from the bank. The right(s) will remain in the bank until December 31, 2019, unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release, and notify the right holder of the release date.

If you have any questions regarding this information, please contact this office at (208) 287-4800. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".
