Hello Dan,

Thank you. I did receive the prior email.

I will be in touch after my client has determined how it desires to proceed. We will need at least two weeks from February 2, 2017 to provide a detailed response. An extension until March 1, 2017 would be ideal.

Thank you for your help.

Scott

Good Morning Dan:

I tried to call you a few minutes ago. I left a voice mail message, since you were not available to answer your telephone.

I represent the Sun Valley Company on water resource matters. They requested that I deal with the issues raised in your letter. Please contact me by telephone (208-949-0599) to discuss this matter.

Thank you for your cooperation.

Scott Campbell
