Re: Change of Ownership for Water Right/Permit No(s): 63-28987, 63-28988, 63-28989 and 63-28990

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley

Subject: Additional Fees for Ownership change request

Dear Property Owner:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on water rights 63-28987, 63-28988, 63-28989 and 63-28990. After reviewing your request, it was determined additional fees will be needed to complete this request.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the additional filing fee for your notice will be **\$75.**

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days the Department will return your request unprocessed. Thank you.
