Re: Application for Permit No. 21-13209

Dear James,

I have been contacted by Lance Boyce with Yarrow On, LLC, concerning IGWA's IGWA's Protest of Application for Permit No. 21-13209. As stated in IGWA's Protest, IGWA's concerns would be resolved by the inclusion of a condition restricting use of this water right to in-home culinary use only. Mr. Boyce advised me that he is agreeable to the inclusion of such condition. Therefore, IGWA hereby withdraws its Protest against this Application subject to the inclusion of such a condition on any permit and licensed issued therefore.

Should you have any questions, please give me a call.

Sincerely,

T. J. BUDGE
