Re: Global Ag Properties

Dear Mr. Cefalo:

Global Ag Properties has recently submitted three transfer applications to the Eastern IDWR office. The first transfer is for 183.9 acres of primary irrigation water from water right 35-7168. The second transfer is for 21.9 acres of primary irrigation water from water right 35-7168. The third transfer is for 19.2 acres of primary irrigation water from water right 35-7168.

Upon review of the transfers by IDWR there was some concern about a representative from Westchester Group Investment Management, Inc. signing the transfers on behalf of Global Ag Properties. Attached to this letter are documents that give Patrick Trainor authority to sign on behalf of Global Ag Properties. New signature pages for the three transfer have been signed by Patrick.

Please continue to process the transfer applications.

Sincerely,

Greg Sullivan, M.S., Engineer
