Re: Application for Permit No. 21-13210

Dear James,

IGWA recently submitted a Protest to Application for Permit No. 21-13210. As stated in the Protest, IGWA's concerns would be resolved by the inclusion of a condition restricting use of the right to in-home culinary use. Daniel Moldenhauer contacted me and agreed to the inclusion of such a condition. Therefore, IGWA hereby withdraws its protest subject to the inclusion on the permit and license issued therefore of a condition limiting use of this water right to in-home culinary use.

Should you have any questions, please give me a call.

Sincerely,

T. J. BUDGE
